Dear Dennis,

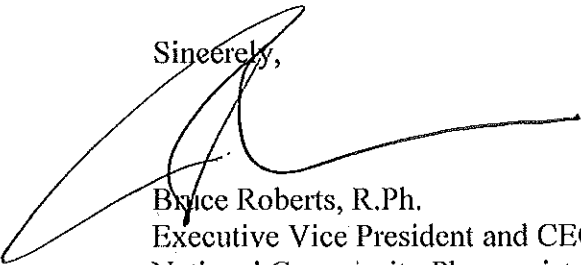

Thank you for your very generous contribution of \$15,000 to the National Community Pharmacists Association's Legislative Defense Fund. Without your support and the support of the TPA AIP Texas, we simply could not fight the fight.

Your continued support and dedication to the Legislative Defense Fund fuels our political presence in Washington and across the nation. Our grassroots programs, patient advocacy, legal defense in the states and media outreach are all made possible because of you and the support of the TPA AIP Texas.

Generous contributions like yours, as well as your significant political involvement, are essential ingredients to helping us honor our pledge to protect community pharmacy and the patients we serve. We just need more individuals like you to stand up and make a difference. Our on-going coordinated efforts to promote legislation that supports the practice of pharmacy and our patients are critical to all our futures.

We deeply appreciate your commitment to NCPA and Community Pharmacy.

Sincerely,

Bryce Roberts, R.Ph.
